

Ambassador's Message

Dear Friends,
Namaste and As-salamu Alaykum,

I am pleased to present to you the first edition of the Embassy's Quarterly Newsletter covering our major engagements from April-June 2023. This is an initiative aimed at keeping you informed of the Embassy's deliberations and sharing with our esteemed service seekers and readers the updates on our activities and services.

As evident in the Newsletter, the increasing trends of friendly exchanges and cooperation between Nepal and Bangladesh continue to open up further avenues for collaboration in the areas of trade, transit, energy, tourism, education, and people-to-people contacts. However, as an Embassy based in a close and friendly neighbouring country like Bangladesh, we are conscious of the expectations of our two peoples and our tremendous responsibility to further consolidate Nepal-Bangladesh relations.

This newsletter is thus expected to provide to our valued readers some sense of what we have been doing in deepening the bilateral cooperation between our two countries. It is also reflective of our opportunities and challenges, and of our achievements and hardships.

Please feel welcome to send us your valuable comments and suggestions to help us further improve the Newsletter. You may wish to contact us via email and/or follow us on Facebook and Twitter for more updates on the Embassy's activities.

As he underlined the natural link between mountains and the oceans, he also stressed the urgent need to address the impact of climate change on mountains, oceans, as well as the lives and livelihoods both in the coastal and hinterland states. He called upon the countries to work together to ensure real, robust, and responsible actions for a healthy Indian Ocean and for a peaceful, prosperous, and resilient future of the region.

On 14 May, the Foreign Minister called on the Prime Minister of Bangladesh H.E. Sheikh Hasina. During the meeting, various aspects of Nepal-Bangladesh relations were reviewed, and the leaders agreed to work together to enhance cooperation in areas of trade, transit, investment, energy, education, and people-to-people exchanges, among others.

Addressing the event, Hon. Foreign Minister underscored Nepal's immense hydropower potential and Bangladesh's

growing energy needs and emphasized how energy cooperation could be a 'win-win partnership' between the two countries. He stressed the role of enhanced connectivity in realizing energy trade and urged the private sector to seize the opportunities available in the hydropower sector.

Ambassador Mr. Ghanshyam Bhandari highlighted the significance of strengthening energy cooperation for the economic advancement and sustainable development of both countries.

(Participants of the event on realizing energy potential)

Special Guest H.E. Mr. Salman Fazlur Rahman, MP, Advisor to the Prime Minister on Private Industry and Investment underscored the opportunities in power sector cooperation, and stated how partnership between Nepal and Bangladesh could meet the latter's increasing energy demands and promote green and sustainable development.

Energy Secretary Mr. Dinesh Kumar Ghimire reiterated Nepal's commitment to enhancing energy linkages with Bangladesh and emphasized the Government's willingness to materialize power trade in near future. Power Secretary of Bangladesh Mr. Md. Habibur Rahman, BPAA, expressed the readiness of the Government of Bangladesh to explore avenues for joint ventures and knowledge sharing in the field of energy.

Independent Power Producers' Association, Nepal (IPPAN) made a presentation on energy collaboration between Nepal and Bangladesh. They expressed their desire to work closely with relevant stakeholders of Bangladesh to facilitate investment in Nepal's hydropower sector.

The programme was attended by about 100 participants including the members of parliament, high-ranking government officials, business leaders, major energy entrepreneurs from both Nepal and Bangladesh, Dhaka-based Nepali professionals, and media persons, among others.

Signing of the 'Lease Deed'

The long pending 'Lease Deed' between the Embassy and Rajdhani Unnayan Kartripakkha (RAJUK) of Bangladesh was concluded on 20 June 2023. Ambassador Mr. Ghanshyam Bhandari and RAJUK chairman Mr. Md. Anisur Rahman Miya signed the agreement on the allotment of the land for the Embassy on lease for the next 99 years, amidst the special ceremony held at RAJUK.

(Ambassador Mr. Ghanshyam Bhandari and RAJUK chairman Mr. Md. Anisur Rahman Miya signing the 'Lease Deed')

The Embassy had purchased 72,000 square feet of land in Baridhara Diplomatic Zone in 1978. The new 'Lease Deed' was concluded as per the requirements of the Rajdhani Unnayan Kartipakkha (RAJUK) of

the Government of Bangladesh. The Government of Nepal had also made a decision towards this end on 19 Baisakh 2080, i.e. 2 May 2023.

Fifth Meeting of Energy Secretary-Level Meeting

Ambassador Mr. Ghanshyam Bhandari participated in the fifth meeting of Nepal-Bangladesh Energy Secretary-level meeting held in Patuakhali, Bangladesh on 17 May 2023. While the Nepali delegation was led by Secretary (Energy) of Ministry of Energy, Water Resources and Irrigation Mr. Dinesh Kumar Ghimire, Bangladeshi side was led by Power Division Secretary Mr. Md Habibur Rahman. The two delegations reviewed the progress on the decisions of the 4th Joint Working Group and Joint Steering Committee meetings held in Kathmandu last year.

(Delegates from Nepal and Bangladesh during the Energy Secretary-level meeting in Patuakhali, Barishal)

During the meeting, the two sides agreed to make efforts to materialize the export of 40-50 MW of electricity from Nepal to Bangladesh through the existing Indian interconnection grid lines.

The meeting also agreed that the broader issues related to power trade and transmission between Nepal and Bangladesh would be finalized through the Bangladesh-India-Nepal tripartite agreement. The meeting deliberated on the possibility of investment from Bangladesh in Nepal's hydropower sector.

The deliberations were focused on the development of the 683 MW Sunkoshi III hydropower project on a joint venture basis. The two sides agreed that Nepal Electricity Authority and Bangladesh Power Development Board would continue to work towards this end.

The two delegations also agreed to facilitate the agreement between GMR Company of India and the Government of Bangladesh for the purchase of 500 MW of electricity from the 900 MW Upper Karnali Hydropower Project in western Nepal. Possible collaborations between the two countries in the renewable energy sector, especially in the field of Solar Home System (SHS) were also discussed during the meeting.

Seventh Meeting of Joint Expert Committee on Water Resources

The Seventh Meeting of Nepal-Bangladesh Joint Expert Committee on Harnessing of Water Resources and Mitigating Floods and Flood Damages was held in Dhaka on 30 May. The Nepali delegation was led by Mr. Gopal Prasad Sigdel, Secretary, Ministry of Energy, Water Resources and Irrigation whereas the Bangladesh side was led by Mr. Nazmul Ahsan, Secretary of the Ministry of Water Resources of Bangladesh. Deputy Chief of Mission Ms. Lalita Silwal participated in the meeting as a member of the Nepali delegation.

(Delegations of Nepal and Bangladesh during the meeting of the JEC on Water Resources)

During the meeting, the two sides discussed matters of mutual interest including collaboration in the development and management of water resources. The meeting made deliberations on the opportunities for sharing knowledge and experience in irrigation water management.

The two secretaries also signed a memorandum of understanding (MoU) between Nepal and Bangladesh on 'Sharing of Real-time Hydro-meteorological Data and Information for Flood Forecasting and Warning'. The MoU is expected to facilitate the smooth exchange of hydro-meteorological data during monsoon and extreme weather conditions.
